

Music 254.
Assignment #3

Using (a) **comment record types** such as the following:

!!!OTL [title]
!!!COM [composer]
!!!AIN [instrumentation]

(b) **tandem interpretation records** such as

*Icor = horn
*Itromp = trumpet
*Ivioln = violin

And (c) the **commands grep, sort, and uniq** (plus their options as needed),

Please map out the contents of the pubscores directory at ccarh.org and its subdirectories.

1. What directories and subdirectories exist?
2. What kinds of works are in them?
3. Which three repertoires are “large” by numbers of titles?
4. Which three contain the longest files?
5. How many works contain wind parts?
6. What kinds of works are they (sonatas, symphonies, etc.)?
7. How many works are a cappella (they include no instruments)?
